

## BRAD HOOVER FAN CLUB

Brad Hoover wasn't supposed to make an NFL roster coming out of college. The 2000 NFL Draft came and went without his name being called. But the fullback from **Western Carolina University** caught on with the Panthers as an undrafted rookie free agent, and now seven years later, he's still with the **Carolina Panthers**, blocking, running, catching and doing whatever else the coaches ask of him.

Now you too can keep up with Brad both on and off the field through joining his fan club.
